Sir,

Subject Fixing the motor cycle allowance of the Avenue Inspector of the Municipality

*****

The conveyance allowance to the post of the Avenue Inspector was fixed at Rs 15/- P M on condition that a motor bicycle is maintained in G O No L 4291-3/ML 27-39-33 dated 1-11-1939 A copy of the Government order is enclosed for ready reference During the year 1939, the cost of petrol and spare parts or to say in brief, the maintenance cost including the registration of the vehicle was very low Further there were two hands in the Avenue department which helped distribution of the area The post of an additional hand viz of an assistant Avenue Inspector was retrenched from the year 1950-51, when the scale pay of the Avenue Inspector was revised to be in par with that of the Agricultural Inspectors Later in the year 1954-55, the several parks and gardens maintained by the Trust Board, as many as 15 were transferred to the Municipality for maintenance There are about 30 parks and gardens besides 17 play grounds to be looked after by the Avenue Inspector besides 8000 avenue trees distributed all over the City which is 14 43 square miles

The work has increased nearly 3 times since 1939, further only one hand has to be incharge of the entire area of the city

As the conveyance allowance of Rs 15/- was barely insufficient to meet the expenses of the conveyances, the question

P T O

question of enhancing the Conveyance allowance of the present Avenue Inspector Sri M.G.Rajan came up before Council at their meeting held on 4-10-56 on his representation. After considering the increase in work and the area and also the work involved on a single individual in this connection, they have resolved to recommend that the Conveyance allowance of the Avenue Inspector be enhanced from the date of Council resolution

I enclose a copy of the resolution and request that orders of Government may kindly be obtained sanctioning the payment and the Conveyance allowance of Rs 24/- per month to the Avenue Inspector from 4-10-1956.

Forwarded with compliments.

A Krishnamurthy Rao
